Conditions of Accreditation

Compliance with these conditions is mandatory.

General Conditions

This accreditation applies only to the legal entity identified on this certificate.

This accreditation applies to nominated vehicles operating under the Mass, Maintenance and Basic Fatigue Management modules and others that may be added during the period of accreditation.

Quarterly Compliance Statements

As part of the internal review standard for the Mass, Maintenance and Basic Fatigue Management modules of the NHVAS a Participant is required to complete quarterly compliance statements. These statements must contain a record of compliance with the key outcomes required for each module.

Labels

Prime movers and trucks must display the NHVAS label in a way that the information on the label is readable from outside the vehicle. The accreditation label must not be wholly or partly obscured, defaced or otherwise not legible.

Basic Fatigue Management Module conditions

All drivers must carry a copy of the following documents:

- Accreditation Certificate;
- A document signed by the accredited operator's stating that the nominated driver is working under their accreditation; has been inducted into the operator's management system and meets the requirements relating to drivers under the operator's accreditation; and
- A work diary

These items must be produced when requested by Authorised Officer or Police Officer.

Change of details

The operator must notify the National Heavy Vehicle Regulator within 14 days when there is a change to any details of the operator or a change in the nominated vehicles.
